## Nonsurgical Treatments

### BOTOX® COSMETIC AND DYSPORT • \$100 AND UP

### WRINKLE FILLERS: RESTYLANE, JUVEDERM, RADIESSE • \$500 AND UP

Injectable wrinkle fillers are a quick fix for deeper wrinkles, such as smile lines and deeper upper lip lines. They can also be used to hide lower eyelid bags, plump lips, and even fill in sunken cheeks. Treatments take only minutes, and, depending on the filler and area of the face, results can last months to years.

### DIAMOND MEDICAL MICRODERMABRASION • \$100+ PER TREATMENT; PACKAGES AVAILABLES

Crystal-free Diamond Microdermabrasion is a soothing facial treatment that uses a diamond tip device to smooth away the dry, dull, outer layers of skin, revealing the healthy skin underneath. ### LUNCHTIME PEELS • \$100 AND UP; PACKAGES AVAILABLE

Lunchtime peels are painless, convenient treatments that gently exfoliate dry, lusterless skin to reveal luminous skin.
