CONTINUING EDUCATION

FACULTY DISCLOSURE POLICY

It is the policy of Saint Louis University School of Medicine to insure balance, independence, objectivity and scientific rigor in its continuing medical education program. Faculty participating in these activities are required to disclose to the audiences prior to the activity the following:
 (1) The existence of any significant financial or other relationship with the manufacturer of any commercial product or provider of any commercial service discussed. (2) Their intention to discuss a product that is not labeled for the use under discussion. (3) Their intention to discuss preliminary research data.

VALIDATION OF CONTENT

Saint Louis University School of Medicine follows the ACCME policy on Validation of Content for CME activities which requires that:

- All recommendations involving clinical medicine must be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients.
- All scientific research referred to, reported or used in CME in support or justification of a patient care recommendation must conform to the generally accepted standards of experimental design, data collection and analysis.

GENERAL INFORMATION

WORKSHOP LOCATION

This workshop will be conducted at The Practical Anatomy & Surgical Education Center located at 3839 Lindell Boulevard, St. Louis, Missouri 63108-3413.

CANCELLATION POLICY

Cancellations received by November 4, 2005 will be refunded in full; those received after that date are subject to a \$100 administrative fee. No refunds will be issued for cancellations received after November 11, 2005. The conference is not responsible for travel expenses incurred. In the event the conference is cancelled, the tuition fee and flight transfer fee (original receipt required) are reimbursable.

PLEASE NOTE

If you have NOT received confirmation of registration prior to your departure, contact Practical Anatomy. Registration cannot be processed until full payment is received. Practical Anatomy is not responsible for expenses incurred by individuals who are not confirmed and paid-in-full.

ACCOMMODATIONS

For the convenience of our attendees, a block of discounted rooms has been set aside at three hotels within 5 miles from the workshop location.

 Phone: (877) 587-2427 Fax: (314) 633-3003 Website: <http://www.chaseparkplaza.com>

Water Tower Inn at Saint Louis University \$75 - *Please be sure to mention Booking #800*
 3545 Lafayette Ave., St. Louis, MO 63104
 Phone: (314) 977-7500 Fax: (314) 977-7505 Website: <http://www.slu.edu/events/wti.html>

The Parkway Hotel \$109 - *Please be sure to mention the name of the workshop for group rate.*
 4550 Parkway Blvd., St. Louis, MO 63108
 Phone: (314) 256-7777 or (866) 314-7700 Fax: (314) 256-7710 Website: <http://www.theparkwayhotel.com>

For information on alternative hotels, contact the Course Manager.

Make reservations directly with the hotel. Room reservations are NOT made through the Practical Anatomy office. **Do not make airline reservations until you have received written confirmation of placement in the workshop.**

SPECIAL EVENT DINNER

A special dinner is planned for Friday, November 18, 2005, at a popular St. Louis restaurant. Participants are welcome to enjoy this special evening at no additional cost. If you wish to bring a guest, there will be an additional charge of \$65 per guest. Transportation will be provided from the conference hotels.

CONTINUING EDUCATION

Saint Louis University School of Medicine designates this educational activity for a maximum of 17.25 category 1 credits toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

This course has been designated as Level 1 (Verification of Attendance) of the AMA's Credit Designation for New Procedures and Skills. Completion of this course does not certify the participant in their proficiency of the skills.

The American Medical Association has determined that physicians not licensed in the US who participate in this CME activity are eligible for AMA PRA category 1 credit.

EDUCATIONAL OBJECTIVES

This workshop has been designed to provide plastic surgeons, facial plastic surgeons, and cosmetic surgeons with an overview of contemporary surgical rejuvenation of the aging face. Special attention has been directed toward restoring youthful volumes and contours to the aging midface, jawline, and neck. The participants will have the opportunity to learn and enhance their skills in a variety of procedures on the brow, midface, lower face, and neck. By completing this workshop, participants will learn state of the art techniques in the following procedures:

- endoscopic brow and midface lifting
- restoring facial balance through facial implants
- restoring facial balance through autologous fat transfer
- open facelifting
- percutaneous brow and midface lifting, with and without Contour Threads

The objectives will be met in part by performing the procedures on specially prepared cadavers. The cadavers used are extremely flexible and "life-like".

MISSION STATEMENT: Practical Anatomy and Surgical Education, Center for Anatomical Science and Education, Saint Louis University School of Medicine, is dedicated to the development and presentation of innovative medical health and science workshops. Practical Anatomy strives to promote the concept of lifelong learning by utilizing the latest technology to connect young people, residents, healthcare professionals and surgeons, to world-class experts and faculty.
